MAJOR GENERAL E. H. CROWDER, U.S.A.
U. S. S. MINNESOTA

Havana, Cuba,

2 February 1921.

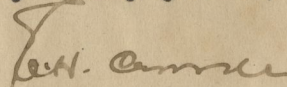

Dr. Enrique Roig,
Cuba 52,
Habana.

Dear Doctor:

Thank you for the prompt attention with which you complied with my request for duplicate copy of the letter sent me at the instance of General Gomez on January 27.

I took a substantial step forward today in the matter of organizing for the partial elections. Rest assured that all of your recommendations will receive the most careful consideration.

Very truly yours,

E. H. CROWDER.
